

Tiffin Aire, Inc. Propeller Division
Pick Up and Delivery Policy
2009

We offer **FREE*** pick up and delivery of controllable propellers within a 200 mile radius of the Seneca County Airport in Tiffin, Ohio. This service is for the overhaul of controllable propellers only.

A pick up/delivery fee will be charged at the rate of \$.60 per mile for:

- A) any controllable propeller overhaul beyond the 200 mile radius of Tiffin, Ohio (first 200 miles are free*)
- B) any propeller within the 200 mile radius that is not a controllable propeller overhaul

If your controllable propeller is picked up for overhaul and you decide not to have the overhaul completed after disassembly and inspection, you will be charged \$.60 per mile for the pick up. In addition, you will also be charged 30% of the base overhaul labor cost for the disassembly and inspection. These charges may be waived if you choose to purchase your replacement propeller from Tiffin Aire, Inc.

Warranty work is excluded from this policy.

***FUEL SURCHARGE RATE OF \$0.15 PER MILE EFFECTIVE UNTIL FURTHER NOTICE!**

I/we have hereby read and fully understand the terms of this policy and agree to comply with them. I/we also agree to provide payment for said propeller work to Tiffin Aire Inc. within 30 days from date of invoice issue.
